OUR VETERANS IN NEED

After serving our country to help guarantee our freedoms, many veterans struggle to get back on their feet once they complete their military service.

In Georgia...

...Approximately 8% of the state's total population are veterans¹

...Over 43,000 veterans are living in poverty¹

...180,806 veterans have service-related disabilities¹

It is time we help our veterans overcome the many challenges they face on a day-to-day basis.

Honoring and Serving Those Who Served Us

Chateau Elan Military Support Foundation (CEMSF), a 501 (c)(3) organization, was established to assist military veterans and their families in the North Georgia area by functioning as a hub for community resources and providing direct support for basic needs including food, clothing, financial support, housing assistance, and mental health support. **Since 2019, the Chateau Elan Military Support Foundation has raised over \$300,000 to assist military veterans and their families with life changing support.**

With over 90% of all funds raised going directly towards the needs of veterans, CEMSF has provided support in multiple ways including:

- ▶ Helping 6 veteran families with housing repairs, bathroom remodeling, and handicap ramps to accommodate disabilities
- ▶ Providing temporary housing for 5 homeless veteran families
- ▶ Providing financial support for burial services for 4 veterans
- ▶ Purchasing a vehicle for the PTSD Foundation for veteran transportation
- ▶ Providing financial support for the PTSD Foundation's Camp Hope program
- ▶ Holding quarterly food drives for the Barrow County Veterans Resource Center

“Without the support of CEMSF, we would not be able to get our combat veterans off the street and into treatment programs such as Camp Hope.”

—Dan Solla, Director PTSD Foundation Gainesville

We can't do it alone. We need your support.

The Chateau Elan Military Support Foundation is a beacon of hope for struggling veterans and families in North Georgia, but we can't do it alone. Now, more than ever, we need your support to continue to provide the services our veterans need. We invite you to be a foundation-level or event sponsor and help change the lives of veterans and families in need. You can make a difference!
